

A modern interior space with wood grain laminate walls. A small tree in a planter sits on a light-colored tiled floor. The text "WOOD THE MOMENT OF AUTHENTICITY" is overlaid on the image.

# WOOD THE MOMENT — OF AUTHENTICITY

Wood grain laminate combines the intricate look and tactile warmth of real wood with durability and affordability, offering a practical yet elegant solution for modern interiors. This fusion of technology and nature provides spaces with a natural ambiance and comfort, effortlessly blending aesthetics with functionality.

## APOD

www.apod.design

Our laminate surfaces can be customised to embody biophilic design, seamlessly integrating plant-inspired aesthetics into your space.

\*This design is available on indent basis only.

Our specialty wood grain laminate offers two series: Authentic Touch for a natural feel and organic look, and Amber Core for enhanced durability and rich colour, providing both practicality and visual appeal.

## ENDURING STYLE WITH ELEGANCE AND VISUAL CHARM

33 | WOOD

## AUTHENTIC TOUCH

**WILTSHIRE ELM**  
QAM 7187 NW

**WILTSHIRE ELM DARK**  
QAM 7188 NW

Feel and connect with nature. This laminate has a freshly sanded, natural wood surface that is seamlessly embedded into it, creating the feeling of being surrounded by the woods.

## AMBER CORE

The Amber Core series, featuring a unique amber core paper layer, redefines the elegance of interior spaces. This exceptional series boasts a homogeneous amber-colored core, ingeniously designed to create a seamlessly beautiful surface.
