PanelLam

Warranty

There is a 10-year warranty against faulty materials or defective workmanship on all pre-finished PanelLam boards supplied by Compac Panels. This does not include where defect or damage arises where the product has been used for other than its intended purpose or beyond its limitations as set out in the recommended uses and limitations in the PanelLam Specifications Sheet supplied by Compac Panels. This warranty also does not apply where a defect arises because of treatment that is not in accord with the care and maintenance guidelines as outlined in the PanelLam Specifications sheet supplied by Compac Panels. This warranty can only be applied in conjunction with the PanelLam Safety Data Sheet and the PanelLam Specifications Sheet.
